SUPPLEMENT TO

REPORT NO.

25X1X

1. Since the weather became better, great effort has been put into repairing the highways. At the moment the highway which runs from Guestrow through Teterow to Neubrandenburg, in the direction of Stettin, is being worked on in various places in Kreis Malchin. This road is said to have been classified recently as

2. In Kreis Schwerin the safety (Betriebssicherheit) of the roads for traffic is being very carefully tested. The highway between Schwerin and Wismar is being repaired in several different places. It is also being broadened in several places, as in Nof Mecklenburg and Trebbow where for one kilometer it is being widened about two meters. This is also a military priority road of the first class.

a military priority road of the first class (Befehlstrasse erster Ordmung).
